Yes. You will be required to take and pass (80% or better) a written test.

***Nurse Delegation for Nursing Assistants* is offered as a self-study course**

1. The **self-study** course uses an instructional video and workbook instead of an instructor. The self study materials are taken home and completed outside of a classroom setting.
2. To take the class as a self study, arrange to pick up the material (workbook) from an instructor offering the self-study course. The instructor will:
 - Help you understand how to use the workbook
 - Be available to answer questions about the material once you begin the self-study (by phone and/or e-mail)
 - Arrange a time for you to return to their office to take the written test.
 - To successfully complete the self-study course, you must complete the workbook practice quizzes and pass the written test..

IMPORTANT: No one is required to perform a delegated task. If you choose to do a delegated nursing task, you must take this class and meet the rest of the requirements described in this brochure. You must do all of these things before you perform a delegated task.

You are not required to be a Nursing Assistant Registered (NAR) or Nursing Assistant Certified (NAC) prior to taking the class *Nurse Delegation for Nursing Assistants*. You can take the class first and decide later about becoming an NAR or NAC.
